Dear Parents,

As we close another school year, it is time to reflect on the events of the past twelve months. The year ended in great sadness with the unexpected death of our beloved Parish Priest and chaplain, Fr Tony Corr. Fr Tony celebrated the First Communion Masses with our Primary 4 children on 5th June and, as he always did, made it a special occasion for the children. Little did anyone realise that the next day the tragic news of Fr Tony's sudden death would greet a shocked school and parish community. The children were given the opportunity to produce a prayer or reflection and these will be presented to Fr Corr's family by our church sacristan and dear friend, Kathleen Kearney. We extend our deepest sympathy to Fr Tony's family, his many friends and the parishioners of Aghaderg and Donaghmore parishes. May his gentle soul rest in peace.

The whole school community should be proud of the efforts everyone has made to ensure that the school remained open when government restrictions allowed. Everyone played an important role in ensuring that the children's education continued and that everyone was kept safe. The school routine was adjusted; hands were sanitised or washed frequently, bubbles maintained, SeeSaw and blended learning became part of the school routine with over 18 000 items or pieces of work posted on SeeSaw and more than 12 500 comments being added. There were some unexpected benefits; the phased starting and finishing times resulted in greatly reduced congestion at the school entrance; while the split lunchtime meant that everyone, children and staff, had a more relaxed lunchtime.

This is also a time of great change for the school community and me as I step down after twenty-six years as principal of St Francis' PS Aghaderg
