Dear Parents

7.10.21

From Monday 18th October we will be running a 'Breakfast club' rather than a Morning club in order to support parents with an early start and offer our pupils a warm snack before they start their day.

Breakfast club opens from 8.00, children will be provided with toast and a drink and will enjoy supervised games with their friends in the warmth of our school assembly hall.

There will be limited places available so it is preferred that you notify us if you are wishing to avail of Breakfast club by sending in a completed Breakfast Club booking form (available for download from the school website or hard copies available in the school foyer) with the appropriate money on a Monday.

The cost will be £2.50 per child per day or 3 siblings can avail of Breakfast club for £6.00 per day.

We hope that you will find this new provision helpful

Yours Sincerely,

Mrs S. McKeown

Principal
